Geoff Newquist,

The New Car Sales Team just wanted to say thanks for all the hard work and dedication you and John Stachura show to our department. You two have saved our team on many sales with your prompt and professional attention to detail. Since we started sending our cars to you instead of other vendors our turn around time and cost's have gone down substantially and you two are much easier to get a hold of. We also love the fact that you two are here if we need to close a deal that requires your services late nights or Saturdays.

Thanks again for all the incredible job you guys do.

Sincerely,
